

**WALLY BYAM CARAVAN
AROUND THE WORLD 1963-1964**

This is your Membership Roster of the 1963-64 Wally Byam Around the World Caravan. These people are your companions of the road throughout this expedition of a lifetime . . . the circumnavigation of our planet in an Airstream. Of the hundreds of applicants and scores of people who attended our orientation meetings, this roster represents the hardy few with the time, inclination, organizing ability and the perseverance to prepare for this courageous undertaking.

The people listed here are your fellow adventurers, who along with you, have accepted the grave responsibility of representing our country in a unique form of people-to-people diplomacy. With them, you will be traveling along the highways and byways of sixteen different countries. Each and everyone of us will be on duty every minute of the day and night as ambassadors for our home country. It is my hope that at some future time, this roster will recall all the treasured moments of a priceless experience.
