

August 16 – 19, 2018: VAC Region 10 Rally

This year's annual VAC Region 10 rally will be held at Fort Stevens State Park on the Oregon Coast. We have 24 sites reserved in two loops at the park. All sites have water and electricity and dump stations are available at the park.

Fort Stevens State Park is located near Astoria, Oregon. It lies next to the site of a military installation used to guard the mouth of the Columbia River from the Civil War through World War II. There are gun batteries to explore, a military museum, and a shipwreck, not to mention the beach and miles of bike trails. There is also an observation platform where you can watch big ships crossing the famous Columbia River Bar. Wildlife viewing platforms provide excellent places for bird-watching. Coffenbury Lake is a scenic lake in the park to kayak in, and there are local places to rent kayaks from if needed.

Nearby you can visit Fort Clatsop, where Lewis and Clark's Corps of Discovery spent the very wet winter of 1805-06. The towns of Astoria and Seaside are nearby to explore, too.

Cost for 3 nights is \$110. Breakfasts and lunches will be on your own, Friday and Saturday dinners will be potluck-style. Thursday will be a "meet and greet" happy hour. Dinner is on your own, if you're still hungry!

Rally hosts are Rob and Diane Nicol. For registration information/questions contact them at robnicol@comcast.net, or call 541-990-4441.

TO RESERVE A SPOT: Please send a check or money order (payable to Rob or Diane Nicol) for \$110 to:

Rob and Diane Nicol
31364 Peterson Rd.
Philomath, OR 97370

Once your payment is received, we'll assign you a site in case you would like to arrange to come early or extend your stay.

Please complete and return with payment:
