DOES WEIGHT MEAN ANYTHING TO YOU? . . . If it does — AIRSTREAM LINERS — size for size — are the WORLD'S LIGHTEST. Light enough that even a woman can lift the front end — pull or push around — for easy parking — so easy to hitch and unhitch to and from your car — EVEN A CHILD CAN DO IT . . .

DOES EASY TOWING MEAN ANYTHING TO YOU? . . . If it does — AIRSTREAM LINERS are the WORLD'S EARLIEST TOWING TRAILERS. A 9 year old boy has actually towed the Wee Wind model on a TRICYCLE. (See picture above of a 7 ft. model actually being towed with a bicycle. These "tests" were done mere" to prove how easy they are to tow — how easy on your nerves — HOW EASY ON YOUR CAR. How better could we illustrate the ease of towing and handling? Plus the fact that our design cuts wind resistance to an absolute minimum. . . .

DOES LONG LIFE MEAN ANYTHING TO YOU? . . . If it does — We have on our display lot in Glendale an AIRSTREAM that was built in March, 1936 — 12 years old — traveled over 20,000 miles — it is just as strong, stock and beautiful as it was originally. . . . (See July issue for pictures)

DOES QUALITY MEAN ANYTHING TO YOU? . . . If it does — Only the best quality materials are used EVERYTHING that goes into AIRSTREAM LINERS — that includes tires, brakes, furnishings, hardware, windows, vents, stove, heaters, hitch, insulation — are the best the market affords. AIRSTREAM LINERS cost more to build — but this cost is more than offset by their long life, low upkeep — never need paint. . . .

AIRSTREAM LINERS give you clear vision through trailer from your car rear-right mirror — on all models. You will like this feature.

EXPERIENCE . . . CONSTANT ENGINEERING ABILITY . . . all go into these WONDERFUL POST-WAR TRAILERCOACHES.
