## November/December 2023

### President's Letter

From Steve Blackmer

I hope that you were able to get a lot of enjoyable camping in this past summer and early fall since the International. We were able to spend a month camping around the Lower Peninsula of Michigan with Airstream Family and Friends. But, now it's time in the North Country to start putting our rigs up until the Spring or heading South. On November 8, 2023, 8:30PM EST, VAC will be hosting a Zoom Meeting titled, "Winterization and Other Routine Maintenance." You may want to tune in.

For those of you who are interested in attending a VAC Sponsored Caravan and Rally for VAC Members and Affiliated Members, please set aside the following dates:

- May 26th – 30th, 2024 - VAC Around the World Caravan from RV/MH Hall of Fame and Museum, Elkhart, IN to Jackson Center, OH
- May 30th – June 2nd, 2024 – Helen's Homecoming Rally at Club Headquarters, Jackson Center, OH

For the Around the World Caravan, there will be a total of 25 rigs, and a limited amount of spaces will be available, based upon the number of actual Around the World Trailers that will be making the trek to attend. Remaining openings will be filled by a random drawing. Details of the actual Caravan and Sign-up process will be announced very soon.

For Helen's Homecoming Rally, planning details will be announced sometime after our next VAC Board Meeting scheduled for November 6, 2023. There will be onsite boondocking at club headquarters for a limited amount of rigs selected by a random drawing, with overflow facilities available nearby in campgrounds near Jackson Center. Please note that our VAC Annual Business Meeting will also be conducted at this Rally on June 1st, in line with our constitutional requirements.

Plans are starting for VAC's participation in the 2024 ACI International Rally. There will again be a VAC Parade thru the Fairgrounds, VAC Open House and Concourse d' Elegance, and a Halloween themed dance, so start working on your Halloween Attire.....

## See you down the road!!!

### When VAC members meet up....

I'm Dallas Peak (VAC Past President 2010-2011) BRN 8481.

My wife Pamela Peak and I were traveling in our 1975 vintage Safari and decided to stop at the Airstream only Tennessee Cumberland Plateau Campground and look who we ran into!

Rick Davis (VAC Past President 2002-2003). Rick spied us driving by and saw our Vintage Airstream Club sticker and walked over to greet us. He asked us to stop by his trailer later where we enjoyed catching up on old times with him and his wife Carol Deaton (BRN 01602).

### Membership

I grew up in a suburb of Cleveland, OH and my husband Tom and I built our dream log home on 3½ acres just outside the Cuyahoga Valley National Park. We've camped together for almost 50 years, graduating from tent to pop-up to Airstream. In 2010, we found the perfect vintage Airstream, a 1979 31' Sovereign, about 5 miles from home. We fondly named her "NITRO" in recognition of her maiden voyage to a NHRA (National Hot Rod Association) event. We have been racing fanatics for many years, and it

seemed fitting that her name recognizes the start of our Airstream adventures. My husband does all the work on NITRO, she's been restored to mostly original condition with refinements, and we wouldn't part with her for anything!

When I retired from my 25-year position as Benefits Manager for Akron Children's Hospital in 2018, our Airstream adventures really began, and we joined WBCCI at our first "rally" event, Alumapalooza, in 2019. From that point, our Airstream adventures took off and we have been to 3 Internationals and numerous local rallies and even hosted a rally on our property with 18 Airstreams. Last October, I met Lynn Talsma at the "Gettin Lucky in Kentucky" rally, and she persuaded me to join VAC. I'm not sure how I got talked into the Membership Chair position, but it's been a great opportunity for me to refresh my

computer skills and take on a new challenge. After meeting many VAC members in Rock Springs, I am excited to be a part of this wonderful group and look forward to helping new and existing members to make the most out of their "vintage Airstream" experience.

## Vintage Airstream Club Membership Renewal

All January 1 renewals are due by December 31. ACI has sent out renewal notices for everyone whose membership is due before year end. If you haven't already renewed your ACI membership, do it soon and make sure the "Vintage Airstream Club" box is checked. This is also a great time to check your membership information and make sure that all your personal and trailer information is up-to-date. To access the website click [here](#).

## Rally Recap by William Campbell

**VAC at the Pine Tree Jamboree, Winterport ME, October 2023**  
**Flat Head Hot Rod 1/2 Fast Drag Race & camping**  
**“A Camping Event where Racing Happens”**

This was kind of a Pop Up Rendezvous announced on FB and many people responded that they were interested to attend, but most had already scheduled for that weekend.

As it turned out, Hurricane Lee also made an appearance on Saturday which made for a wet and wild day. We would have had three Vintage rigs attending but two made the prudent decision to stay safe at home.

But not us. The organizers had planned very well for both participants and spectators and emphasized camping, including a “Best Encampment Award”. There were many Scamps, Scotty’s, motor homes, and even one vintage Tear Drop trailer but only one Vintage Airstream. We won the Best Encampment Award and I contribute that to our Vintage hubcaps for sale as part of the ongoing flea market.

**Isham Family Farm Rendezvous,  
Williston, VT  
Host-Mike & Helen Isham, Mark & Lynn  
Steinhoff**

This Rendezvous Rally was held June, 2023 in Williston, VT at the Farm of Mike & Helen Isham. They graciously invited the Vintage Airstream Club to boondock in the upper pasture Hill, next to a pond at their beautiful farm. They also provided music by local musicians with a large fire, and was enjoyed by all that attended.

Maybe a first for the Vintage Club was having electric supplied by a Rivian Truck owned by VAC member Garrett Scholes.

## to the RV/MH Hall of Fame

By Paul Lacitinola

**Forrest and Jeri Bone of the Tin Can Tourists Club  
are among this year's inductees.**

Step into a world of rich history and innovation as you enter the RV/MH Hall of Fame, a shrine dedicated to recognizing, preserving, and honoring the pioneers and individuals who have shaped the Recreational Vehicle and Manufactured Housing industries into what they are today. Located in Elkhart, Indiana, this prestigious institution is a must-visit for enthusiasts and history buffs.

### **Celebrating Achievements: Over 480 Inductees**

Since its inception in March 1972, the RV/MH Heritage Foundation has honored over 400 industry pioneers and leaders, inducting them into the RV/MH Hall of Fame. Today, more than 480 members' plaques proudly adorn the "Wall of Fame," immortalizing their contributions.

In August 2023, Forrest and Jeri Bone of the Tin Can Tourists Club became the latest inductees of the RV/MH Heritage Foundation Hall of Fame. They will join the ranks of RV inventors, engineers, manufacturers, retailers, suppliers, and RV park operators whose contributions have profoundly shaped the world of RVing in America. Among the distinguished previous inductees are iconic figures in the vintage trailer realm, such as Theodore Bargman,

Don Boles, Wally Byam, John Serro, and many other trailblazers. The 51st annual induction ceremonies at the RV/MH Hall of Fame in Elkhart, Indiana, were well attended by friends and TCT members. Familiar names like Tim Heintz, Dan Piper, Rick and Rose Larson, and David and Mary Gulley gathered from across the US for the "Function at the Junction Rally and Open House" hosted by the Tin Can Tourists. There were over 50 vintage trailers on display. The entire event was a delightful experience. The strong camaraderie among TCT members was unmistakable, undoubtedly fueled by the shared love for vintage camper trailers and inspired by Forest and Jeri Bone. The Bones rekindled the TCT club in 1998 after a hiatus from its inception in 1919. After years with the Airstream club, The Bones envisioned a club that included ALL vintage trailers and RV brands. This weekend was an example of the club's diversity, with trailers ranging from a Holiday House and Bowlus to Vagabonds,

Spartans, and even Airstreams from the Vintage Airstream Club. Despite the warm weekend, participants had the opportunity to cool off and discuss topics like their latest rare trailer finds in one of the large halls adjacent to the camping area.

Monday night was a fantastic dinner followed by the RF/MH HOF ceremonies with Forrest and Jeri formally accepting their award, sporting their "Hall of Famers" green blazers. The 75 or so TCT members, in the room of approximately 500 guests, broke out in the club song, "The More We Get Together," in their honor. Forest and Jeri are one of only a few couples ever to be inducted. Nine other industry leaders from all aspects of the RV and MH industry were also honored at the gala. The recognition of the Bones by the

Dal Smilie presented renowned Airstream historian Joe Peplinski with a plaque as recognition for his work accurately documenting the history of Curtis Wright trailers.

larger RV industry, with an induction into the Hall of Fame, is a major milestone for the vintage travel trailer hobby.

Dal Smilie, who spearheaded the recognition of the Bones, also presented renowned Airstream historian Joe Peplinski with a plaque as recognition for his work accurately documenting the history of Curtis Wright trailers.

Recently retiring as leaders of TCT, Forrest and Jeri have passed the baton to the next generation. Their son and daughter-in-law, Terry and Michelle Bone, will embrace the family tradition and take the reins to carry the club forward.

Terry Bone recognizes Dal Smilie with a well deserved Tin Can Tourists Hall of Fame award.

Terry Bone was the MC for the TCT events and will continue the tradition of the club his parents resurrected. The strong camaraderie among the TCT members present was unmistakable, undoubtedly fueled by the shared love for vintage camper trailers and inspired by Forest and Jeri Bone.

Members who own vintage trailers (25 years or older) have the opportunity to learn more and receive advice about their vintage beauties while meeting other owners of these classy and historic RV's and possibly learn from their experiences and mistakes.

Anyone may join as an affiliate member and enjoy the benefits of being up-to-date on VAC events and gatherings.
