What you need to know TODAY:

by DJ Watson, Newsletter Editor

VAC open House today from 12–4 in the VAC area. Come visit the VAC area and tour the vintage beauties—many are open for “inspection”. Also some VAC members are selling flea market items at their trailers.

A Dose of Humor: As seen on a bumper sticker: If you tailgate, we will flush!

YOU too can be a VAC member. Although regular members must own at least one Airstream older than 25 years, we welcome anyone as an affiliate. Affiliates join us for events, rallies, and caravans and are in the loop of the latest happenings in the world of Vintage Airstreams

James' Corner

by James Schaal, President

Hello all, If we haven't met yet my name is James Schaal and I am your current Vintage Airstream Club President. I'm currently camping in my 1960 Caravel and my BRN is 8483! I'm 22 and not retired.... I started my Airstream journey at 16 Restoring a 1966 Caravel while going to school and working within the family business. I've since re-habbed quite a few of these shiny things including my latest, a 1948 Liner taken back to complete original. Events are also in my blood since it's my day job through the family business. Anyway, enough about me! I'm super excited to talk to you throughout this week!

Did you know?

When Wally Byam (the founder of Airstream) built his first trailer, he published an article with the plans for it – and quickly sold over 15,000 copies for \$1 each.

Who are these VAC folks?

Did you catch the Vintage Airstream parade yesterday? With over 600 members, the VAC intra-club is made up of Airstream enthusiasts who lovingly restore or refit Airstreams from the 1040's and up.

Most of us are more than happy to show you our rigs and talk about them endlessly.
