## What you need to know TODAY:

by DJ Watson, Newsletter Editor

**A Dose of Humor:** Camping: When you spend a small fortune to live like a homeless person.

**Snapshot and Photo Contest,** 9:00-16:00 in the Commercial Building.

Have you walked over and taken a look at the **Quilting and Fiber Arts** workspace? Woman's Building—9:00—17:00. It is amazing how talented some of members are.

**Caravan Leader Training** 10:00—15:00 Missouri Electric. Caravans are the essence of Airstream fun and we need more of them. Come see what it's all about.

Did you know we still have **HAM radio operators** in our club? Seems like a “vintage” hobby but actually still very relevant. It is staffed from 10:00—14:00—come check out what they have and bring your own equipment to test if you are so inclined.

**Travel with Pee Wee through History and the Airstream Heritage Center,** 10:30 at Mohler Assembly. Story telling and history about our rich heritage...if you haven't visited at Jackson Center this is the next best thing.

**2025 York PA International Rally invitation,** 13:00 at Mathewson Center—hear about exciting plans for next year.

**A Night of Music** 18:30 at the Mathewson Center—if you have not heard the Airstream Club Band you need to hustle over to this event. As a plus, tonight we are honoring those who serve.

**Ice Cream Social** 21:00 at the Mathewson Center ...hmmm need we say more?

## James' Corner

by James Schaal, President

Hello all, what a FUN few days this has been thus far and we've still got 2 more days of enjoyment!

Today I'm going up in a hot air balloon they've got lined up for us to enjoy.

It's looking like a day full of great seminars throughout the fairgrounds with an afternoon tea party that's going to be fabulous!

Check out another one of our Facebook pages:

It's basically a year round online flea market for all things Vintage Airstream related.

## Did you know?

7 out of 10 Airstream trailers ever manufactured were still road worthy in 2020.
