

# VINTAGE AIRSTREAM TODAY

*A publication of the Vintage Airstream Club, established in 1993*

## *April 2025*

**Hello VAC - our newsletter has a new look, now contained in the body of the email with links to longer stories/more info on our website. This will make it easier to read the bullet points at a glance, especially on our phones and when traveling. This format also allows us to publish more often - our goal is once a month during peak Airstreaming season (March - November). Scroll down and enjoy. 😎 DJ**

## **A Message From the President**

**By James Schaal**

Hello Vintage Airstream Club friends,  
I have just returned from a "boots on the ground" visit to York, Pennsylvania with Jenny Schnettler to get a feel for what we can expect at this year's International Rally and our presence there. I am happy to report that we will have an amazing facility and parking area. We have been working hard to strengthen our relationship with the main club which in turn will open up more opportunities moving forward. The membership of the Vintage Airstream Club continues to grow which will hopefully lead to more fun and unique rallies across the country. Now that spring has arrived, I wish you all happy trails and safe adventures on the road.
