Why Not Minot?

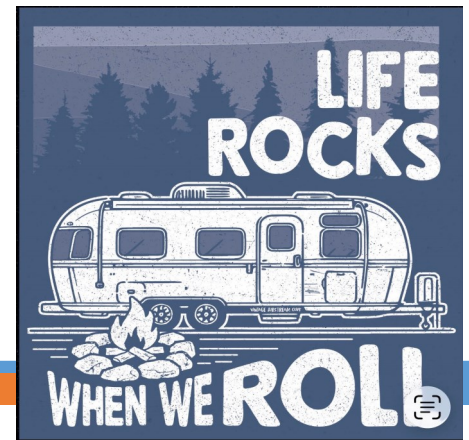

A Hub for the Military: Minot is home to the Minot Air Force Base, which houses about 10,000 military personnel and their families. It is the only base in the United States Air Force that houses two components of the nuclear triad (the 5th Bomb Wing and 91st Missile Wing), playing a vital role in national security.

Roll With Us

Have you seen the amazing 2026 design for hats and shirts?

There may still be some left - check out VAC merchandise at the Block Party tonight or last chance at the luncheon on Wednesday.

Our Quartermaster, Chris, has lots of other goodies too.

WHY JOIN THE VINTAGE AIRSTREAM CLUB

In addition to handing out the VAC brochures that are available from Judi Moran, Membership Chair, here is some information that you can use to help encourage other non-VAC Airstream owners to join:

- ⇒ Celebrate the heritage.
- ⇒ Enjoy the stories. Share the adventure.
- ⇒ Are you fascinated by the early days of Airstream travel trailers? Do you love hearing how people discovered, restored, and reimaged their vintage rigs?
- ⇒ Are you curious about Wally Byam, the founder of Airstream, and his cousin Helen Schwamborn, who launched the Wally Byam Caravan Club?
- ⇒ Do you enjoy campfires, good conversations, and connecting with fellow Airstream owners who swap stories, offer advice, and lend a helping hand?
- ⇒ If any of this speaks to you, you'll feel right at home in the Vintage Airstream Club.
- ⇒ VAC is an Intra-Club of the Wally Byam Caravan Club—also known as Airstream Club International. We're a community for anyone who appreciates Airstream history and wants to help preserve the legacy of these timeless trailers and the travels they inspire.
- ⇒ Owning a vintage Airstream is *not* required. We welcome all who share the passion.
- ⇒ Join us for good times, great friendships, and shared knowledge.
