

President's Message

Hello VAC friends,

As we, and many other fellow streamers, make our way to Minot we wanted to just check in with all of you - whether your plans are heading north to the International Rally, traveling elsewhere in our great country (or the world), or maybe staying closer to home, we wanted to send some VAC updates.

In addition, I wish to personally thank you for affording me the privilege of serving as your president this year. As I turn over to Tom Price in a few short days I am confident the club is in good hands and look forward to serving on the board for one more year. A huge thank you goes out to all those who served the club this year - we could not have done it without each of you.

See you down the road.

"Airstreams in the Wild"

The Tin Can Tourists Rt 66 Centennial Caravan gathered at the Rt66 Midpoint in Adrian, TX and paraded to Amarillo's historic district on old Rt66. The Amarillo police department lead the mile long caravan on a parade to the Big Texan RV Ranch. There were over 70 vintage trailers, and of course our beloved Airstreams were well represented. Submitted by Dal Smilie, BRN 01103

The VAC currently has two vacancies for which it has no nominations: 2nd and 3rd VP. If you are a VAC Member and would be willing to serve in either of these capacities, please contact George Watson, VAC President: president@vintageairstreamclub.com. Active participation of members in the business affairs of the VAC is crucial to its continued success.
